WORKING EXPERIENCE

Character Designer at Vin Visions Studios (Part Time)

Mid 2025 - PRESENT

Using Clip Studio Paint EX to create quadrupedal creatures for an indie studio. Drawing ready-to model character turn arounds, character expression/personality sheets, and creature anatomy practice, including props. Live drawing at every weekly team meeting for best communication while creating the creatures.

El Zorro commercial (México, Remote)

Sept 2023 - Oct 2023

Working with Spanish speaking animators, was a Clean Up Animator using Toon Boom Harmony after the Rough Animator's final pass. Animating a total of 4 shots to then pass it on to the Color In Artist, all working on a tight deadline.

Multi Animator Projects participant (Hobby)

2020 - PRESENT

Using Clip Studio Paint EX, Adobe Premier Pro, and Adobe After Effects to create 5 to 10 sec character sequences, varying between creating a storyboard or following a storyboard, to finishing composition. Respecting the host's deadlines and character designs.

Freelance Artist

2019 - PRESENT

Ranging from art commissions: animal, creature, and humans digital paintings; Website Illustrator at a Latin America organization; and Sticker Artist. I use Clip Studio Paint EX at its full potential to carry my work, always adapting on new skills and looking for new challenges. My work ranges from spanish speakers to english speakers.
